In the claims:

Please cancel claim 1.

Please add claim 2, "new" and claim 3, "new" as follows:

2. "new" What I claim as my invention is: A Newspaper Box Monitor that is introduced and inserted into any newspaper companies (free and installed) newspaper box, so I can tell when the newspaper company has delivered the newspaper to my property or living quarters, without walking to the newspaper box to look inside the newspaper box.

3. "new" The visual lamp signal monitor or the radio signal monitor (when activated when the newspaper is delivered) are on a timer (1 second turned on and 10 seconds turned off) to save the life of the battery.

App1, No. 09/756,345

CLAIMS:

What I claim as my invention is:

2. ("new") A newspaper box monitor that is introduced and inserted into any newspaper companies (free and installed) newspaper box, so I can tell when the newspaper company has delivered the newspaper to my property or living quarters, without walking to the newspaper box to look inside the newspaper box.

3. ("new") The visual lamp signal monitor or the radio signal monitor (when activated when the newspaper is delivered are on a timer (1 second turned on and 10 seconds turned off) to save the life of the battery.
